

La Violeta

MALBEC

2012

TASTING NOTES

A violet-red color, bright and intense. On the nose it has great complexity, with notes of red fruit, such as plums, floral notes of violets, and subtle spicy aromas.

It has great concentration on the palate, with round tannins, red fruit flavors, and nice persistence. A wine with great potential, elegant and complex. Aging potential.

AGING

24 – 36 months in new French oak barrels, followed by 5 years in bottles.

PRODUCTION

3,300 bottles
