## MALBEC ALTAMIRA

SINGLE VINEYARD

*"Aromas of meat, mushrooms, wet earth and dark berry follow through to a medium body with medium, chewy tannins and an open finish. Subtle and thought-provoking. Bright fruit. Drink now."*

*"This is very Altamira with berry, mushroom and wet-earth character. Yet, it's reserved and polished with beautiful tannins and balance. Drink now."*

[JAMESSUCKLING.COM](https://www.jamesuckling.com) 

*"It's a malbec with juicy red fruit, polished tannins, and firm acidity that gives it life and especially nerve. Although it's mild compared to most of the malbec from that area, this one has a certain elegance that distinguishes it. A subtle look at Altamira, today one of Argentina's primary sources for red wines."*
