

CABERNET SAUVIGNON 2019

Pacha in local language means “**Earth**” or “**World**”, a concept closely related to nature and our interaction with it, often referred as the Pacha Mama (Mother Earth).

Our grapes grow right in front of the **Andes mountain** range. These exceptional landscapes and strong nature give our wines great **vitality and energy**. We aim to transfer this character creating a beautiful connection between origins of grapes and the wine in your glass.

Pacha wines are created with passion and excellence, with a distinctive character that makes them unique. They are a **perfect balance** between old **French tradition**, soil's typicity and **new world styles**.

About the vintage

2019 : It will be remembered as warmer than average, with excellent sanitary conditions. It has helped to obtain mature red and white wines, with great potential and complexity. Harvest in our vineyards with white varieties was completed in the first days of April, while the last red variety were harvested in the beginning of May. Yield per hectare of grapes produced during this vintage was lower than than average in all valleys where Viña Marty is. This has reduced size of berries and clusters. This vintage will create more concentrated wines with stronger character.

Tasting notes

Colour : Intense Ruby Red

Nose : Fruity, Intense and expressive notes of fresh ripen red currants, black-berries and prunes. Lovely notes of sweet spice, toasty and dark chocolate enhance the complexity of a well-crafted cabernet sauvignon.

Palate : It's a fruit driven style, full of dark fruits flavours from beginning to end. A hint of cassis, vanilla, and herby menthol note, are beautifully combined together creating layers of flavours and complexity. It is round and balanced, with a refreshing acidity like typically found in fresh berries and wee-integrated velvety tannins. Full-bodied with a long finish. Ready to drink now but it has potential for cellaring too.

Wine profile

Varietal : Cabernet Sauvignon

Vintage : 2019

D.O. : Central Valley : It is the heartland of the Chilean wine industry that holds all of Chile's major producers, wine regions and vineyards. A wide variety of wine styles can be found in this large area, from many different terroirs. They range from the best known northern Maipo, to the older, more-established vineyards of Maule; from the coastal plains of western Colchagua to the Andean foothills of Puente Alto.

Harvest : By hand

Farming : Sustainable

Vine per ha : 6.000 /ha.

Yield : 10 ton/ha

Winemaking : Traditional in stainless steel tanks with an average length of 8-12 days, and temperatures about 24-26°C.

Ageing : 6 months in used French barrels

Alcohol : 14.5%
